

## Campaign for OLLI Update

Do you know that the Campaign for OLLI is in its third and final year? We have raised almost \$60,000 in outright gifts and bequests toward our ultimate goal of \$100,000. Campaign contributions have helped create a fund to assist members in need in paying their OLLI fees, contributed to the new audio-visual systems, and helped balance our operating budgets while growing the OLLI-VO and OLLI in Eugene-Springfield endowments.

Of our OLLI members, 57% have contributed. To ensure OLLI-VO's continuing financial strength, please give today to reach our goals of \$100,000 and 100% member participation!

To make your tax-deductible contribution, visit the OLLI-VO office or our website: <http://osher.uoregon.edu/support.php>
